

Journey Jewels™ Code of Ethics

As a Certified Journey Jewels™ Guide I agree to . . .

1. Maintain the highest standards of professional and ethical conduct in my practice as a Journey Jewels Guide.
2. Show respect and dignity to all clients.
3. Keep it positive and respectfully talk about other practitioners and healing modalities.
4. Be responsible for the energy I bring to all areas of my life including my client work.
5. Maintain client confidentiality.
6. Stay active in my personal healing journey.
7. Accurately represent my experience, skills, and abilities.
8. Bring full presence and reverence to my sacred work, honoring all of life.
9. Abstain from the use of drugs or alcohol during all professional activities.
10. Decline offering medical diagnosis, interfering with medical treatment, or suggesting changes in medical treatment including medications.
11. Continue to develop my skills as a practitioner through continuing education, practice, and other professional trainings.
